

## Maths Resources & Websites

Dear parents,

Please find below a range of interactive games to help your child continue to strengthen their Maths skills over the period of school closures. These are suggested activities, please do not put yourselves under pressure to do all of these, they are just to act as a guideline. Please rest assured that once the schools return, we will do our utmost to ensure your child continues to progress, and will help with any concepts the children have forgotten over this time period. These activities may help fill the days of the school closures, however, we understand that these are challenging times, and it may be difficult to get into a routine. We look forward to seeing you all once it is safe to do so. Stay safe, and take care.

Daily Ten Game – mixture of sums, fractions, doubles, rounding, ordering <a href="https://www.topmarks.co.uk/maths-games/daily10">https://www.topmarks.co.uk/maths-games/daily10</a>	Hit the Button game – doubles, halves, tables <a href="https://www.topmarks.co.uk/maths-games/hit-the-button">https://www.topmarks.co.uk/maths-games/hit-the-button</a>
